### WHOLE SCHOOL OUTCOMES:

#### Accelerated progress and improved attainment:

- Continue to narrow the attainment gap between disadvantaged pupils and non-disadvantaged pupils in Reading, Writing and Maths across all year groups by providing effective catch up and interventions.
- Continue to increase GLD for disadvantaged pupils in Reception.
- Continue to increase Phonics outcomes for disadvantaged pupils in Year 1 and Year 2.

#### Improved behaviour, pastoral care and welfare:

- Increased attendance of all pupils.
- Narrowing of gap in attendance between disadvantaged and other pupils.
- Decreased persistent absence of all pupils.
- Narrowing of gap in persistent absence of disadvantaged and other pupils.
- Reduction in number of exclusions.
- Breaking down of barriers to learning.
- Improved mental health and wellbeing of pupils.

#### Improved engagement with families:

- Improved communication and relationships with families.
- Breaking down of barriers between home and school.
- Increased support for families in need.

As outlined in the academy’s pupil premium policy, pupil premium funding is allocated to support ‘disadvantaged’ pupils. The measure the Government currently uses for this is a child’s eligibility for free school meals. At present, any child who has been eligible for free school meals at any point during their primary school career (Years 1 to 6) is classed as “Ever6” and is eligible for pupil premium grant, which is currently £1345 per child per year. Looked after children are also eligible for additional support, as are children who have a parent in the armed forces.

At the last count (September 2020), **67%** of Tame Valley Academy pupils were eligible for this funding, which is significantly above the national average of 24%.

We have very clear aims at Tame Valley Academy that all our pupils have the opportunity to engage in an ambitious curriculum which has been constructed and designed to give all pupils, particularly disadvantaged pupils and including pupils with SEND, the knowledge and cultural capital to succeed in life. The additional funding is used primarily to support closing the gap in the attainment and progress of disadvantaged pupils compared to other non-disadvantaged pupils nationally. At Tame Valley this funding plays an important part of our work to ensure that all our pupils have the opportunity to succeed.

The impact of funding on the progress and attainment of disadvantaged pupils is carefully monitored and evaluated by the Senior Leaders of the academy.

The school’s Local Governing Board holds the school to account over the effective use of our pupil premium grant and there is a dedicated “Pupil Premium Champion” on the LGB: Tim Evans. He regularly meets with the head teacher / pupil premium lead to support and challenge the use of the pupil premium grant at Tame Valley Academy.

The table below shows the percentage of disadvantaged vs non- disadvantaged children currently on roll at ESPA (September 2020).

Year Group	Disadvantaged	Non-Disadvantaged
Reception	74%	26%
Year 1	87%	13%
Year 2	64%	36%
Year 3	65%	35%
Year 4	63%	37%
Year 5	56%	44%
Year 6	64%	36%

The following table shows how the funding will be allocated for the coming school year. This may be subject to change following analysis of internal assessments and evaluation of interventions, initiatives and resources available. There may also have to be some alterations due to risk assessment in relation to opening schools during the ongoing coronavirus crisis.
