Dear Parents/Guardians

Children in Need - Friday 13th November 2020

As part of the Children in Need fundraising initiatives this year we would like the children to come to school on Friday 13th November wearing their sports clothes and something yellow, if possible. On this day can children bring in a minimum of a £1.00 donation for wearing their sports clothes and this donation will also include a piece of cake at the end of the school day (cakes will be provided by their class teacher). Donations are to be put into the buckets that teachers will be holding in the playground at the start of this school day.

During the day the children will also be taking part in a sponsored exercise circuit, where each class will compete to complete a circuit within an allocated time. Each class will take part in their own bubbles and any equipment used will be sterilized and cleaned after each use to avoid any cross contamination of bubbles. Children are to bring in sponsorship money in an envelope clearly marked with their name and class and this is to also be put into the buckets on the morning of the 13th November in the playground. The three children that raise the most money for Children in Need will be allocated a prize, these will be given to them the following week.

We really want to make this year's Children in Need really enjoyable and fun for the children, especially during these unprecedented times. We will put photos of the day onto the Class Dojos for you to see and would like to thank you for your support and cooperation in this initiative.

Yours sincerely

Miss C Nock
Headteacher
