### CHRISTMAS DIARY DATES

As you will be aware, due to updated Covid restrictions, we are not able to celebrate Christmas in school in the way that we would want to this year. This includes not being able to have parents in school to celebrate with us.

However, we have put together a timetable of events that mean we are able to make the end of term as special as possible, while also adhering to all our risk assessments and keeping our pupils, staff and their families safe.

- \* **Week of Monday 6th December:** Christmas Fayre activities ran in school and after school, including tombolas, guess the sweets in a jar, name the teddy etc. Children may bring in their 50p to take part.
- \* **Friday 10th December:** Christmas Jumper Day—children can come to school in non-uniform and wearing a Christmas jumper / top. They do not need to make a financial donation for this—it is just a bit of fun.
- \* **Friday 10th December:** Christmas Dinner
- \* Children will be making Christmas videos in class, which we will then be able to share with parents on Class Story. Please make sure you are signed up for this to be able to access your child's video.
- \* **Thursday 16th December:** Children's Christmas parties — Children may come to school in non-uniform on this day. We are also expecting a virtual visit from Santa!
- \* **Friday 17th December:** Good to be Green parties will take place in classes for all children who have remained "on Green" all term.
- \* **Friday 17th December:** End of Term

**Reminder—School is closed to all pupils on Thursday 9th December**

## Coronavirus (COVID-19) symptoms in children

The main symptoms of COVID-19 are:

- a high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste

If your child has any of the main symptoms of COVID-19, even if they're mild:

- Get a PCR test (test that is sent to a lab) to check if they have COVID-19 as soon as possible.
- Your child should stay at home and not have visitors (self-isolate) until you get the test result – they can only leave home to have the test.

## ATTENDANCE

Well done to **Reception** for being the best attending class last week (97.9%).
