Monday 7th February

Dear parents and carers,

I am writing to let you know that, very sadly, my time as the Executive Headteacher of Tame Valley has come to an end. I will still be closely involved with the staff and children here, but I have now moved on to another academy within UWAMT. I leave Tame Valley in the safe hands of Miss Stokes and I have no doubts it will continue to flourish under her leadership.

I would just like to thank you all, most sincerely, for making my time as Deputy Headteacher, Headteacher and then Executive Headteacher at Tame Valley so very enjoyable. Tame Valley is a truly unique place (for all the right reasons) and it will always have a special place in my heart. Whatever else happens in my career, working with all of you and your fabulous children will always be a highlight. It made me so incredibly proud on a daily basis and my memories of this time are something I will always cherish.

I will, of course, remain in touch as part of UWMAT.

I wish you all the very best of health and happiness in the future.

Yours sincerely

Miss C Nock
